Please wrap the book using both sheets of paper, ensuring that book is completely enclosed by wrapping. Use plenty of shipping (not Scotch) tape, especially at corners and seams. Please **DO NOT APPLY TAPE DIRECTLY TO THE BOOK**. Also, consider using an inner layer of plastic to waterproof the package, but do not use "Press-and-Seal" wrap, as this can damage the book!

Please Note: If the wrapped book weighs less than 6 oz, First Class Parcel Rate will be the least expensive way to mail.
